Social Event Opportunity

We are excited to announce a fabulous event! After the program ends on Monday evening, October 10, we have arranged for a wine tour, tasting and dinner at the [Oenou Yi](#) winery, the “beautifully aligned vineyards that lay amphitheatrically on the surrounding hillsides of Omodos”.

The program will end at approximately 5:30pm at which time you will be transported in buses for an approximate 45-minute ride to the winery. When you arrive you can either go on a 30-minute tour and tasting, or attend a casual, pre-dinner reception where you can enjoy soft drinks, sparkling water or a glass of some Oenou Yi Playia Range Wines, after which you will enjoy a fabulous dinner. You will leave the winery at approximately 9:00pm.

The dinner will be a buffet consisting of freshly homemade salads, a wide selection of hot items, two carving stations, a selection of national and international cheeses, and dessert. And of course, more of those delicious Oenou Yi wines.

The cost is only 70 Euro, inclusive. The winery has a limit of 70 people, so if you wish to attend, please [register](#) right away! The deadline to sign up is **October 1**.
